Flourish Textile Art Hub Membership - March

What you need to follow my tutorial - Please substitute if needed

- A large piece of heavy 130 Lutradur or 260gms cotton canvas (it doesn't matter which base fabric you use as long as its a decent weight)
- Pebeo Fabric paints: 12 Light fabric ultramarine, 93 opaque cinnamon, 83 Opaque olive, 28 Light fabrics Moss green, Opaque white - Your paint colours will depend on your inspiration. My inspiration will be included in the project.
- Flat wide brushes for painting the fabric background along with other brushes to make different abstract marks. You may want other materials for mark-making.
- Heavy iron-on interfacing
- 2 x 30cm x 30cm (12 inches x 12 inches) 320gms cotton rag paper - one to cut as a view finder and one for mounting. Optional, other window mounts using as a view finder.
- White tissue paper or teabag paper for digital printing (needs to be larger than A4)
- 2 sheets of A4 white cards and a small glue Pritt stick for digital printing
- Matt Medium by Golden and a smaller flat brush for collage.
- Embroidery thread - I used black for free motion embroidery and green for hand embroidery, choose colours that work for your artwork.
